the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million, and the number of people aged 75 and over has increased by 1.2 million (Office for National Statistics 1999). The number of people aged 65 and over is projected to increase to 6.5 million by 2011, and the number of people aged 75 and over to 4.5 million (Office for National Statistics 1999).

There is a growing awareness of the need to develop services to meet the needs of older people, and the need to ensure that services are accessible to older people. The Department of Health (1999) has published a strategy for older people, which sets out the government's commitment to older people and the need to develop services to meet their needs. # We Progress

## Gradually

Progression takes place day by day at Hanover in many ways. Student life is probably the biggest area. People gradually progress in their own way as they grow older and as they grow in experience and knowledge. From day to day we learn new things about others mak-

ing us either grow towards or away from them.

Season by season describes the way in which our sports are run: spring baseball, wrestling, basketball, cross-country, track, fall baseball and golf. The coaches and students progress in their knowledge of the particular sport they coach or participate in. The records of the school prove that gradually we are progressing.

Step by step the classes begin to grow each year. It starts at the beginning of the school year with the teachers trying to get everything organized just exactly right to suit each individual class, by the time

this is completed, the school year is about to end.

Year by year new students come in and out of the classroom. From teacher to teacher, year by year, the students gain more useful information to better themselves, hopefully to have something to show by the time graduation comes around.

Planning, selling and raising money, group by group, the organizations secure support for their activities. Progressing with knowledge on how to organize and run things is an asset gained by being a part of some organization or group.

Bit by bit we, the staff, try to raise money, not only to pay for the yearbook already bought but to better our yearbook for the years to come: for you to be able to have the memories of happy times stored up in pages of the year's happenings. It enables all of us to see how we have progressed as a school and a united group through the years we've spent together growing and learning.

# Hanover Schools Go Back to 1838

One of the first log school houses was built in 1838. Pictured is Mrs. Mary Meyer, John Horner, George Gerbing, and John Geisen.

With the bicentennial on everyone's mind, Key Staffer Becky Wornhoff prepared this report on Hanover school history with the grateful help of Cedar Lake's historian, Mrs. Peter Horner.

Ball Log School, built in the summer of 1838 is claimed to be the first school house in Lake County, not that it was established by virtue of authority of law and supported by taxation, but that it was a common meeting place for instruction and improvement under the guidance of Judge Harvey Ball and his gifted sons and daughters.

In 1839 Mrs. Jane A. Ball began conducting the first boarding school. This school continued during the following 16 years. It sent six students to colleges and seminaries and fitted many for everyday life.

The Civil War caused a delay in an orderly development of a school system but after the conflict ended, there was a growing demand for elementary schools.

The next school in the area was built along what is now Morse Street on the east side of Cedar Lake and known as Red Cedar School. There, early teachers Mary Jane Ball

and Mr. & Mrs. Andrew Cutler taught quite a roomful of pupils as the years entered the 1860's. With John Binyon acquiring the land on which this school stood, the name of this school was changed to the Binyon School. In this up-dated school, each child had his own desk in contrast to the backless benches used in the earlier schools. A pot-bellied stove with its long line of stove pipe was centrally located and a strong woodbox stood nearby.

The earliest school in the Brunswick area was built on the Echterling farm just south of Brunswick. It was replaced in 1875 by a new two-story Brunswick School which contained high school classes on second floor. Other early schools included a one-room school on the Henry Piepho farm and another on the Chris Brands farm, both north of Brunswick.

The Zion Evangelical Church located north and west of Brunswick set up a small parochial school which was connected closely to the German teachings of the parishioners who had migrated into this area from Hanover, Germany. When the Hanover school system began to take care of educational needs by setting up district schools, the parochial school was discontinued.

Children in the southwest area of Hanover Township were educated in Klaasville Public Schools from about 1880 on. In 1916 a severe tornado tore down many buildings in Klaasville and at that time the little one-room school house blew away. Catholic children who were members of St. Anthony's Parish of Klaasville were taken to the newly-built St. Martin's School in Hanover Center and public school children rode in horse-drawn bus to the Brunswick School and Schiller School which had been built in 1912 on the same site of the one-room school that had stood on the Brands' farm. It housed several classrooms

of children until it was torn down in about 1956.

Brunswick's two-story school was moved eastward and became the Perfection Musical Instrument Co. owned by George Einsele. When this building was moved, a small building was erected on the same spot to accommodate the lower grades coming from Klaasville and the Brunswick community. It was used as a school until 1970.

In the meantime, the rest of the township was also becoming populated with one-room schools. At the corner of Parrish Avenue and 117th Avenue we find the Gerald School. The Roettgen School, located on land belonging to Phillip Eberle, Sr., was in existence from 1885-1912. Schutz school was located on land of pioneer families, Valentine Schutz and Henry Meyers, on Parrish Avenue, south of the present Jane Ball School. This school closed down in 1910 and its children went northward to Armour School. Armour school property was deeded over to the township by J.H. Meyer in 1885. It was located directly east of the first Ball School.

St. Martin's of Hanover Center originated in the Mathias Geisen log cabin home in 1880. A frame building was later purchased and used. The familiar red brick building school, torn down in 1974, housed classes for many years, beginning in 1913. The present Holy Name School was built in 1949.

Kindergarten was opened in the township in 1968. Prior to this time private kindergartens had been operated by Mrs. Neil Jackson, south of Cook, two miles, and one by Mrs. Adam Schafer, a former teacher in the Piepho one-room school.

With the building of the Lincoln School in 1912, there was only a one-room school in the Brunswick

area for the lower grades, which closed in 1970. Schiller School, used from 1912-1956 and St. Martin's Parochial School, later changed to Holy Name, in use from 1908 to now, within the township. High schoolers were transported to Crown Point, Lowell and Dyer High School. Another elementary school was built in 1956 and named after that pioneer in education, Jane Horton Ball.

In 1974 the middle school was added to the high school and the sixth grade moved up from Jane

Ball, making the school the Hanover Central Middle and High School with the enrollment of 934 in grades 6-12.

Freshman and Sophomores High School students at Hanover Center's Lincoln School are: Back Row, Walter Ludwig, Robert Thomas, Richard Howkinson, Lawrence Turnquist. Front Row, Martin Mager, Nelson, Loretta Ludwig, Sara Ruge, Herbert Meyer and teacher, Mr. Hill.

... Adam Schafer is standing beside the school bus that he used to pick up the students for school.

## H.C. Shares PCC Trophy

The Fall Baseball team had a very good season winding up with a record of seven wins and one loss.

"We suffered our only loss in the second game, in which we were out-hustled and out-played," commented Coach Sparacino. "But we knew we had to win the remaining games in order to have a chance at the championship, and we did." The boys showed a lot of determination and desire to strive for the Porter County Conference Championship."

# J.V. Team Sets 15 and 5 Record

For Coach Ron Roller, this has been the best J.V. basketball team he has coached. The team finished the season with a 15-5 record. The team was not defeated at home where they establish a 9-0 record. "Much of the success of this year's team was due to the aggressiveness, attitude, and desire to win of all the players," he said, "The players did what they were told and were serious about the game at all times. A team with this type of attitude will always be successful."

The team offensively averaged 46 points per game and defensively held the opponents to only 38 points.

# Spring Team Meets Goals

"Our spring baseball team had three objectives," Coach Joe Sparacino said.

"We met them. Included were winning the Porter County tourney, doing well against Michigan City, and against our sectional opponents."

Using younger players, the team had an 8-11 record but this will mean a gain in future programs, the coach said.

LaVerna Torrence goes up for a successful block against one of the Kouts Mustangs.

"Although the record doesn't show it, the 75-76 Varsity Volleyball team was much improved. The team effort was a total effort; as a result, there were several outstanding players. Roberta Torrence was named MVP and led the team in defensive plays. Diane Wietbrock led in scoring and LaVerna Torrence topped the rest in spikes. Jayne Mantel was second in defense. Lori Frazee was the number one setter. The nucleus of this year's team was a group of seven dedicated seniors. They will be missed, but with the remaining five juniors, we hopefully will once again have a strong nucleus to build around," said Coach Carol Grady.

"After losing the first four games," says Coach Carol Grady, "put things together to finish with a 7-8 overall record and a 6-2 PCC record." For two consecutive years, they finished second in the conference.

"The high moment, to end the season, was the victory over Kouts, 37-32," stated Coach Carol Grady. Behind the leadership of Seniors Roberta Torrence and Diane Wietbrock, the team continued to improve. Junior center, LaVerna Torrence led the team in scoring and rebounding. LaVerna was named First Team All-Conference. Also, Shari Foreman, Freshman guard, proves to be around for some time.

"The seniors will be missed, but with the talent of the underclassmen, the 1976-77 season should prove to be another exciting one," concludes Coach Grady.

"The small size of our team had its advantages and disadvantages," says Coach Bonnie Beamer. "It provided all girls with valuable game experience, but presented a problem if foul trouble occurred."

They ended the season with a 6-6 overall record and a 4-4 PCC record. Several of the games were won by three to six points and several were lost by the same margin. "This shows that there was good competition and each team had to put forth a maximum effort and ability," said Coach Beamer.

"Next year the team needs to be expanded in size and keep the same winning attitude," Coach Beamer added.

# Mid-School Baseball Team

"Explosive was the 1975 Middle School Baseball team, with ability to go undefeated in the future if they keep up the enthusiasm they showed this year. Two players, Adam Dayberry and Daryl Koedyker have the makings of excellent catchers and pitchers" said Coach Roller.

"The team had a very strong infield, but they were at their best offensively. Five players batted above .350, Coach Roller pointed out. The team ended the season record with 5 wins and 2 losses.

# 8th Grade Team Wins PCC

The Hanover Central Middle School was the team to beat in the conference with an overall record of 10-5 and winning three straight games to give them the Porter County Conference crown.

The season was the best any eighth grade team has ever had at Hanover and they showed great potential for years to come. Every man on the team proved he could handle the job and with those kind of ball players coming up a great future is in store for the Hanover basketball program. With every great team there has to be players who stand out, this team had two: Tim Simmons had the hot hand for Hanover, scoring 203 points and averaging 14.5p.p.g. John Hunley was the big man on the boards for the Cats crashing them hard and pulling down many rebounds. These boys on this team show great future for Hanover Central and hard work should bring more victories and more honor to Hanover Central.

The season started late in November with a season opening victory over Trinity Lutheran. Second game of Holy Name vs Hanover ended with Hanover the winner. The come-back of games three and four brought Hanover again the victory. The fifth game of Hanover vs St. Mary's made Hanover again the victor. But the final game of the season against Holy Name broke the winning streak with Holy Name on top. Outstanding players for the season were Wayne Anderson, Scott Gross and Tom Urbanczk.

# Matmen Small but Mighty

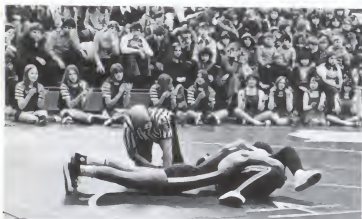

The Middle School Wrestling team finished the season with a fine 4-4 record. The team wrestled a very tough schedule in which each opponent had at least 35 come out for the sport. We had only 12 wrestlers on our team but each worked extremely hard to make the season a success. The season was concluded with a match against South Newton before the Hanover student body. It was a happy event as each of our grapplers won by a pin.

A good track team listens to the coach's instructions when he lines them up in the gym prior to a match.

Hanover Middle School Cindermen ran away with the Porter County Conference this year, winning six out of eight conference matches and the conference tournament crown.

Jack DeVries, John Hunley and Greg Miller provided a lot of the scoring with all of them receiving first place ribbons in all but four of their meets. Jack DeVries and John Hunley showed their great leaping ability by jumping 5'4" and 5'6" respectively. Greg Miller had a long jump of 20 feet which was among the best in the state.

## Bicentennial Homecoming gets interest!

Hanover's 8th annual homecoming was slated December 1 thru 6. Events of spirit week began with hall decorating on the Saturday before. Judging of the halls was early Monday morning with the Senior class placing first with a bicentennial theme, Junior class second and Sophomores third.

Monday was Stars & Stripes Day with Jim Westerhoff chosen for best costume. Reversal of Equality Day was Tuesday with Jeff Sweitzer, top winner. Members of Student Council were auctioned off as slaves by State Sen. Ernie Niemeyer. Also at the assembly various games were held. Combining to win the suitcase race were Ray Kerstell, Rich Kourthauer, Barry Wilbourn and Chris Avey. Other winners were Craig Muelhman, bubble blowing; Shari Foreman, potato race; Mr. John Brindley, pie eating contest; and Jim Keilman, banana eating contest.

Plantation Day was observed on Wednesday, and on Thursday, Boston Tea Party or 50's Day. Clinton Jett placed first that day.

Freshman Jennifer Hudspeth was worth a "pretty penny" at the Student Council slave auction held Tuesday at the assembly.

Lined up ready to start with their noses to their potatoes are the potato race contestants, awaiting the starting gun.

Stuffing bananas in their mouths to compete in the banana-eating contest are Freshman Jim Keilman and Sophomore Mark Doty. The race showed who could eat the most bananas in a certain amount of time.

Beautifying the sophomore hall are Debbie Foreman and Linda Hildebrand. Decorations were judged Monday. The sophomores took third.

Posing as a fat clown is Junior Joyce Cokenour. The juniors all dressed as clowns Monday to enhance their circus hall theme.

Stefanie Slivka, otherwise known as Sophomore Steve Slivka, dressed for the occasion on Reversal Day. Steve won \$3, second place, for the total effort.

Chocolate pie and whipped cream provided many laughs for the faculty and student body as they watched the pie-eating contest Tuesday. Mr. Brindley, first on the right, won the event.

Shown here posing for the camera and saying, "Aaa" is Terry Schreiber. Terry won a trophy for the best decorated trike.

The Wildcats prepare in the locker room to hand Westville a defeat. The team gained a victory when the scoreboard showed 90-60.

Light shines through the winning senior hall. Decorations included red, white, and blue streamers and bells.

"Spirits of 76", the sophomore class float took a second place in the judging. Atop the float is Karl Jonason, dressed as a wildcat.

## Evening Gatherings Spirited!

Evening activities began with the tricycle race Thursday at 6. Freshman Randy Partain won the race while Terry Schreiber gained honors for best decorated. Following the race was the bonfire. Juniors col-

lected wood all day to build a 60-foot pile. Also juniors won the tug-of-war by beating the seniors and freshman.

The parade Friday for the senior class and the game Saturday for the Wildcats resulted in victory. The seniors took first with a bicentennial float and the team defeated Westville, 90-60.

Even the 30 degree temperatures couldn't keep the students, children, and parents away from the annual bonfire. Cedar Lake Fire Department started and controlled the blaze.

Dressed as minutemen upon the senior float are Bill McKee and Joe Yothment. The float theme was "Bicentennial Blast".

As students watch and root on the tricycle racers, Randy Partain came away with the lead to win the race.

The freshmen float, which perhaps deserved better than third place, was very well planned. The racers on the float moved.

The Wildcat Mascot, Robin Holeman, rings the "victory bell" after a homecoming win. The bell was a new addition to Hanover this year.

Present to crown the new queen was 1975 queen, Cindy Seils, and her date, Bob Gross.

Offering congratulations and presenting red roses to the new homecoming queen are Cindy Seils, and Tammy Landry.

## Homecoming '76

Topping off homecoming festivities Saturday evening, December 6, was the crowning of Mary Lou Anderson, 1976 Queen, and Andy Soley, Mr. Basketball. Cindy Seils did the honor of crowning the new queen. Other senior candidates were Donna Engle, Dee Dee Wietbrock and Sue Williams. Underclassman representatives included Cheri Mender, juniors; Becky Hoycus, sophomores; and Deb Baacke, freshmen.

Watching anxiously for the finished product, is Ron Rose who controls the Heidelberg press during Printing class with Mr. Phil Apple.

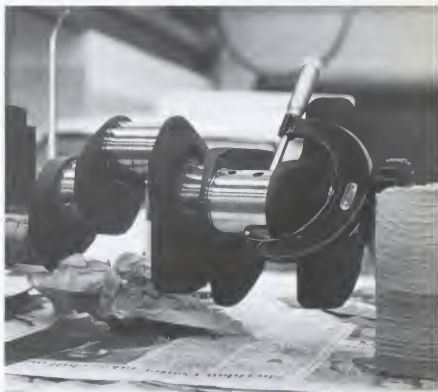

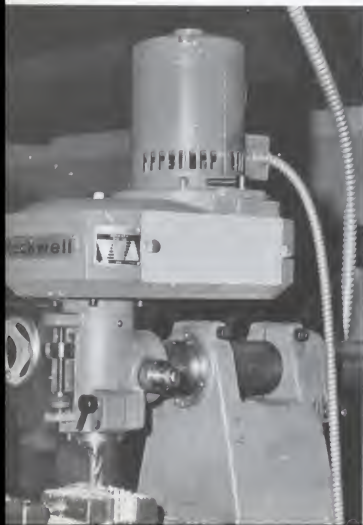

"I'd better make sure I watch my fingers so I don't cut them off", says Nick Mager.

# Language Students Travel Abroad

For the first time in the history of Hanover, travel to foreign lands was scheduled by the French and Spanish teachers.

Mrs. Betsy Doffin, accompanied by Mrs. H. Snedden, Journalism teacher, and Junior Jill Neary, spent 10 days of the Christmas vacation touring Paris. The Eiffel Tower, Champs Elysees, the Louvre, Versailles and the Moulin Rouge were among the sights.

A short stop in London to see the Tower and Madame Tussaud's, concluded the trip.

Mr. Jack Granger, Spanish teacher, took a group of 41 students and adults to Mexico during spring vacation. They saw Taxco, Mexico City, and Acapulco on the tour.

Historic Tower of London was viewed by Mrs. Betsy Doffin and her group on the final leg of the trip to Europe over Christmas.

Pyramid of the Sun, northwest of Mexico City, was viewed by Kathy Kazwell, back to camera, and Mrs. Elaine Plant, school secretary.

No trip to Paris would be complete without a visit to the Eiffel Tower, which dominates the Paris landscape.

## New Faces in Communication Arts

An additional English teacher and two new faces were found this year in Communication Arts.

Mrs. Josie Weber, an experienced English teacher, was one of the new faces, teaching sophomores and juniors.

Mrs. Carol Holmes, also new, had all the ninth grade English classes, a big challenge.

New machines in the reading lab made Mr. Gary Young's job of teaching remedial reading easier. His new class in Senior College Prep English was also well received.

Repeating in their areas this year were Mr. Eugene Rajchel, speech and drama, and Mrs. Helen Snedden, Journalism, yearbook and newspaper.

Rounding out the faculty were Miss Debbie Spaeth, high school, Mrs. Sandra Kiechle, and Mrs. Darlene Geck, middle school English.

Shown in a reflective pose, in a quiet lull before class is Mrs. Carol Holmes, ninth grade English teacher this past year.

Two-thirds of the Hanover students who took the Spanish tour to Mexico are shown posing in the garden of Capultapec Palace.

Trying out the new speed reading trainer is Karl Jonason. The device was among the new equipment available for remedial reading.

## Field Trips Highlight Science

Science is again headed by Mr. Jim Kiechle who instructs in Biology I, II and Lab Science II. Field Biology trips were planned for Lemon Lake County Park.

Lab Science I was taught by Mr. Jim Allen, new to Hanover. Mrs. Sue Roller was middle school science teacher. Mr. Robert Gray, also new, has physical science and physics as well as High School Math.

... Understanding science is easy to learn with Mr. Allen explaining it.

... "Worksheets, thats all we do," says Tammy Braden, on the far right, as Jeff Jilson and Brenda Powers looks on.

Other Math teachers are Mrs. Mary Love, department head, who teaches Algebra I and II and Senior High Math. Mr. Joe Sparacino teaches High School Math, geometry and Terminal Math.

## Students Face Math Problems

... Identifying chemical changes seems easy for Chris Underwood and Kathy Rumas.

... Answering questions on a quiz in math, occupies Senior Mike Jackson's time.

... "I don't understand these Lab sheets," says Ellyn Heckaman.

... The problem on the board is simple, according to Mr. Gray.

## Alumni Back as Instructor in P.E.

A new physical education teacher, a graduate of Hanover, was added to the faculty this year. It was Mrs. Bonnie Gudmundson Beamer.

Others on the PE faculty were Coach Fred Perry, Mr. Dick Norris and Miss Carol Grady.

Mrs. Roberta Crumrine taught seventh grade Health, supplementing Mrs. Beamer in that subject.

Lecturing on World History is Mr. Tom Schatzman, social studies instructor, as his group of sophomores take copious notes in class.

Boys gym classes learned the rules for many sports, even though the teacher had to sometimes interrupt the game to repeat them.

New teacher Mr. Dave DeMuth points out a spot in the Mediterranean Sea to one of his seventh grade geography students one day.

## DeMuth, Trip to Beatty, New in S.S.

Mr. David DeMuth was the new face in Social Studies this year, teaching seventh graders.

A trip to Beatty Memorial Hospital was the new event sponsored by Mr. Rich McClellan for his Psychology students this year.

He also taught Economics, Government, Sociology, Geography and World History II.

Others on the Social Studies faculty were: Mr. John Brindley, Economics, Government, Human Behavior, International Affairs, and U.S. History; Mr. Tom Schatzman, U.S. and World History I, Geography; Mr. Mike Shuler, eighth grade Social Studies.

Coach Fred Perry, who resigned at the end of the school year, also taught P.E. He is shown attempting to clear up confusion over game rules.

Badminton racquet at hand, Miss Carol Grady makes out the attendance slip in the coaches' office before tackling another P.E. class.

Getting a report ready for social studies means checking through newspapers in the school's media center, says Kellie Oborn.

"Teeth are one of the many topics studied in Mrs. Bobbie Crumrine's Health Class. Here she shows a student where the dental pulp is.

## Art Shows Top Activity for Classes

Art Shows in conjunction with honor awards nights, a cafeteria mural, and bicentennial contests were high points of the year for Miss Pam Hill and Mrs. Sharon Cataldi's classes.

Third year students who did the advertising mural were Denise Benge, Steve Benton, Mary Brown, Fred Burke, Fred Carnell, John Hays, Chuck Hitchcock, Debbie Huffnagle, Sharon Huseman, Steve Milbourn, Sue Unger, Marilyn VanCuren, and Brian Wohlgemuth.

Winning second and third in the Cedar Lake Women's club bicentennial poster contest were Todd Uran and Lisa Norris.

Middle School students look at the posters as Mrs. Cataldi looks on.

"Concentrate on your work" explains Mrs. Cataldi.

Senior Bill McKee and Junior Chuck Shropshire happily show their work of art.

## Parades, Contest, Concerts Featured

Parades, contest, concerts kept band and choir members on their toes this year.

The bicentennial parade on July 4 saw the band out in force.

Band and choir members, directed by John Gorbail and Don Rohrer, combined for the fall, Christmas and spring concerts.

The band also had a pre-competition program.

Andrea Burley, Rick Jacobsen, Joanne Thorbjorsen, Nancy Sack, Judy Hillger, George Mick, Mike Williams and Mr. Rohrer took part in the Bicentennial Program before the student body May 4.

Marching is sure hard work for these middle school band members.

Practicing makes perfect as long as Mr. Gorbail keeps the middle school marching band going.

Looking over the music that they are going to sing are Vince Catlin, Brenda Schuietema, Tina Pointer and Pam Wright.

## Business Classes Show Variety

Business classes this year showed a wide variety of subjects taught by Mr. Ron Roller, Mrs. Gail Lemon, Mr. Jim Nicholas, Mr. Bill Whitestone and new teacher, Miss Sandy Kern.

Subjects included shorthand, personal typing, typing I and II, business law, business Math, office practice general business and record keeping.

Business classes are easier if you can ask the teacher questions, seems to be the attitude of Shelly Casten as she works on her assignments in class.

Practicing makes perfect hopes Doris Albertson and Cheryl Molden in typing class, with the aid of Mrs. Gail Lemon.

# Interest in Home Economics Grows

Students are getting more interested in Home Economics according to Mrs. Allegr Williams who teaches courses in Foods I, II, III, IV, special foods. Food preservation and seventh and eighth grade Home Economics.

Mrs. Claire Cartmell was the high school and middle school sewing teacher again this year.

Highlights of this year included field trips to Lowell packing Plant and Jane Ball elementary school.

Center. Mr. Ron Roller doesn't seem to think one should be serious all the time in shorthand class.

Drinking to the good times in Home Economics class are Vicky Harris and Renee Partain.

Typing takes much practice Sharon Wachter seems to have learned well in her typing class.

Modeling with grace and distinction is Vicky Harris while Mrs. Cartmell watches.

# Juniors Prepare for Prom

Rhonda Plant, Vice-President; Connie Engle, Social Director; Mary Ann Mallowski, President; Cathy Kazwell, Treasurer; and Vicki Wisniewski, Secretary.

This year the Junior Class sold candy, on which they made \$400.00. The money was used towards the prom, which was held May 25, 1976, at Crete Holiday Inn in Illinois. They also sponsored the movie held in the auditorium of December 18.

Among the Homecoming festivities, they participated in the Powder Puff football game. Mr. Drew Furness, guidance counselor, served as their coach. Juniors placed second in the hall decoration. Their theme was "The Greatest Team on Earth." The hall was decorated like a circus show, with bright and funny signs. The juniors placed last, but first in the tug-a-war at the bond fire.

New sponsors this year are Miss Spaeth and Miss Hill.

# Sophomores' Year Hectic

The Sophomore class held its magazine sale this fall making approximately \$400.00. They also sponsored car washes throughout the spring as money-making projects. The class participated in the homecoming festivities. "Spirit of 76," graveyard theme, was used for the homecoming float and it was built at Sherry Nietzel's house. It brought the sophomores second place in the float contest. The hall decoration brought a third place. The sophomores also were excited about receiving their rings.

Ring prices went up for sophomores this year and they continue to rise as years go by. Will the sophomores of tomorrow be able to adjust to these high prices?

Sponsors this year were Mrs. Betsy Doffin and Mr. John Brindley. Jeannine Tortorici, secretary; Darcy Dodge, vice president; Sandy Moelhan, president; Doris Albertson, social director, and Sherry Nietzel, treasurer served as class officers.

The freshman received their sweaters just before Christmas with colors of yellow and black. These colors have been chosen as class colors. A number of money-making projects were held throughout the school year to build up the treasury for on coming years. They went through the year with a strong set of sponsors, which included Mrs. Gail Lemon, who teaches typing, and Mr. Richard McClellan who teaches Government Economics.

Yearbook students, led by Shelly Eastling, voted to use mosaic layouts this year. Copy Editor was Deb Van Gorp while Jayne Mantel worried about funds as business manager. A raffle was among the fund-raisers held by the staff to finance color pages in the book this year.

Julie Tortorici served as REVONAH editor this year aided by Vicky Wisniewski's cartoons, and Beth Anne Weierts features, which gave the newspaper a new look.

## In Memoriam

Remember Debbie,

The way she used to smile,  
And remember how just being with her,  
Could make your day worthwhile

Remember Debbie,

The things she used to do,  
And remember how serious she got  
When she told us things like "I Love  
You."

Remember Debbie,

And what she used to do  
When you were hurt and feeling down,  
And remember how she'd sit and talk  
just because she loved you.

Remember Debbie,

The way she would get sad  
When you were down and hurt.  
Remember how if you didn't cheer up  
Debbie would feel so bad.

Remember Debbie,

How she is now  
And how she will never hurt anymore  
And remember Debbie—that she is  
safe—  
And that she'll watch over us,  
And still love us.

But mostly,

Remember Debbie  
As a friend  
But as a friend you loved,  
And remember that your love for her  
Is a love that will not end.

Carl Carns
